Russ,

I wanted to send you a note to clarify my role on these calls. I will be on from time to time as an observer and to offer guidance from ZroBlack's point of view. Jonathan can handle all the technical side of the conversations. I will be here to make sure we are meeting our obligation to [REDACTED] on this agreement and offer further strategies/insight into areas where we can make the most impact to both of our organizations. I think we are off to a great start and if you need anything please let me know.

Sincerely,
John E. Saenz
CEO
